## CLARIFICATION

Dear Customer:

We want to summarize some information about our products and our company to ensure that you understand them.

1. ALKA 4-LIFE LLC., is a privately held company with a state license that manufactures, sells and installs high quality products for the treatment of water.
2. There is a lot of information available about water quality. If a sales representative showed you articles or videos, or you have some information about problems with the quality of your water or of possible dangers to your health – we do not have information that your water has specific problems that they may discuss with you.
3. Sales representatives should not make statements about contaminants in your water. If a test of precipitation was made at home, this test only teaches that you have hard water.
4. Any information provided to you about our system and the pollutants that can remove this, does not attempt to suggest that these contaminants are present in your water.
5. You the buyer, may cancel this transaction at any time before midnight of the third business day after the date of this transaction. Please see the warning statement together with the "Work Order and or contract", for an explanation of this right.
6. To get the maximum value of the cleaning products we provide you must follow instructions for use. We do not make statements to say that are going to last for a specific time because we do not control how the product is going to be used by the client. All cleaning products will be delivered at the time of installation. If you wish to purchase additional SOAP, you can purchase it through ALKA 4-LIFE LLC. appreciation of bulk.
7. Any promise made to you by our representative, will be valid provided it is written in all copies of Work Orders and or Contract. **Any verbal promise will not be valid.**
8. Warranty: The Alka 4-Life drinking unit has a life-time limited warranty if the manufactured required yearly maintenance is performed (yearly maintenance cost \$300.00). There is a limited warranty of 5 years in the valve on the water conditioner and 6 months warranty on labor in the complete system. For more information see warranty cards. For service, please call our office at 951-704-2192.
9. When you sign this document, you acknowledge that you have studied the statement of loan in their documents of funding which explains their annual interest, and monthly payment, as well as other information of their terms of finance. Your total cost includes the price of sale plus interest.
10. **Important:** this product is not intended to diagnose, treat, cure, or prevent any disease.

Thank you

I HAVE READ THIS INFORMATION AND I UNDERSTAND IT.
